- High efficiency whiteboard lighting
- Made in Värnamo, Sweden

Anubis Tavla is a slim, high-efficiency gondola/table light. The luminaire is adapted to be mounted with different brackets (accessories). As standard, the luminaires are equipped with DALI drivers and with a 3m 5-wire cable that is inserted at the back at one end of the luminaire. Anubis Tavla is available in 3000K and 4000K and can be connected as DALI or as impulse control/Switch Dim. The luminaire is made in Sweden.
