DIP SWITCH CCT | CE | CRI>80 | DIP SWITCH POWER | IK06 | IP44 | Microwave

Discover Exactor's new POP Li 44 industrial luminaire - the perfect combination of function and efficiency. This versatile base model is tailor-made for light industrial environments, warehouses, garages, basements, attics and laundries. The POP Li 44 is the reliable and energy-efficient lighting solution you need, with quick and easy installation and minimal maintenance. With adjustable color temperature of 3000K, 3500K, 4000K and adjustable brightness up to 3300 lm (600mm length) and 4900 lm (1200mm length), you can easily adapt the light to your needs. The luminaire is eco-designed with replaceable LED modules, drivers and sensors, making it both sustainable and environmentally friendly. Choose POP Li 44 for a smart, flexible and good lighting solution with low energy consumption. POP Li 44 is available as on/off or RS. Both variants have adjustable color temperature and power, the RS model has an adjustable microwave sensor that can also control 1-5 additional On/Off or RS luminaires.
