

- Wall luminaire in a timeless design
- Dimmable light source in 3000K
- Double-entry backplate with quick connector

Ivy M is a wall luminaire in a timeless design that is available in two variants: with light distribution both upwards and downwards or only downwards. The version with downward light emission can be mounted with the light upwards. This LED luminaire is dimmable with trailing-edge dimmer and has high durability with IP65 and IK06. Easy installation with quick connection between body and outer part. Available in black or aluminium grey textured finish. The Ivy series offers two sizes, where Ivy M is the larger variant.

## Variations

E-number	Product name	Max. system power (W)	Colour temperature (K)	Beam angle (°)	Mått (LxWxH/D, mm)	Colour	IK class
