

- Fitted with a 2-metre cable and an earthed plug
- Pull cord for switching and dimming
- Adjustable colour temperature 3000/3500/4000K

POP Line is a sleek and stylish pendant luminaire with a modern and minimalist look, specially designed for offices and other professional environments. Its understated design makes the luminaire easy to integrate into both modern and classic interiors.

POP Line is available in a length of 1200 mm and in black or white finishes. The luminaire provides 50% direct and 50% indirect light and features adjustable colour temperature (3000/3500/4000K). For simple and convenient light control, it is fitted with a pull cord for switching on, off and dimming, making it easy to adjust the light as required. The luminaire is supplied with a 2 m cable and an earthed plug for quick and easy installation.

Its compact design, combined with flexible light control, makes the luminaire a functional and elegant choice for workplaces, meeting tables and communal office spaces, for
