- With direct and indirect light
- Anti glare
- Made in Värnamo, Sweden

The Cressida LED pendant luminaire combines direct and indirect light and is ideal for workplace lighting. The luminaire has good glare control, which makes it very suitable as lighting for monitor work. Cressida is suspended from the ceiling with an associated wire suspension (1. 0m) and can be supplied on request with CRI90 or in another RAL color. Cressida is available in two lengths, 1200 and 1500mm and in 3000K or 4000K. On/Off: Direct/indirect light, no switch. Supplied with 3m cord with plug. DE: Separate regulation of direct/indirect light with double pull dimmer. Supplied with 3m cord with plug. DALI: Direct/indirect light is controlled via DALI/Switch Dim, no switch. Supplied with 3m 5-wire cable. The luminaire is manufactured in Värnamo.
