2026-11-22

- Anti glare
- Made in Värnamo, Sweden

IP20

Hugin Pendant is based on a luminaire concept in two lengths; 1200 and 1500mm. Hugin is an efficient general lighting for e. g. offices, shops or schools that is suspended with the included 1. 5m wire and reutlingen suspension. The luminaire is available in variants with on/off or DALI, 3000K or 4000K and in variants with HO (high luminous flux). On/off comes with a 3. 0m cord with plug. DALI can be connected as DALI or as impulse control/switch dim and is delivered as standard with 3. 0m 5-wire cable. On request, Hugin can be ordered with CRI 90, adapted luminous flux, rampable, emergency light, motion sensor or constant light control. In the same luminaire series, there is a suspended ceiling version and a recessed version. The luminaire is manufactured in Värnamo.

Variations

E-number	Product name	Max. system power (W)	Colour temperature (K)	Mått (LxWxH/D, mm)	Colour	Ambient temperature (°C)	Weight
