

- Visual comfort
- For recessed ceiling 600x600mm
- Made in Värnamo, Sweden

Tor is a recessed ceiling luminaire for suspended ceilings with visible support profile, 600x600 mm. The luminaire is suitable for general lighting in different types of environments. Tor provides a pleasant general light and gets a good light distribution using the luminaire's white body as a reflector. The luminaire is available in 3000 or 4000K and as on/off or DALI. On/off is delivered as standard with a 3m cord with grounded plug. DALI can be connected as DALI or as impulse control/Switch Dim. Supplied as standard with 3m 5-wire cable. On request, the luminaire can be supplied with CRI90 and/or customized luminous flux. The luminaire is manufactured in Värnamo.
